

Fastener and Fixing Vietnam 2025

Shaping the Future of Precision and Innovation

The 2025 Fastener and Fixing Vietnam is Vietnam's leading exhibition dedicated to the fastener and fixing industry, featuring the Vietnam Manufacturing Expo 2025 (VME), bringing together top manufacturers, suppliers, and industry experts to explore the latest technologies, trends, and business opportunities.

Under this year's theme "The Future Making Impossible Possible", the exhibition will showcase cutting-edge advancements in fastener manufacturing, assembly systems, and industrial applications. Whether you're looking to expand your network, discover new products, or gain industry insights, this is the place to be.

Venue: I.C.E. Hanoi, 91 Tran Hung Dao, Hoan Kiem, Ha Noi, Vietnam

Date: August 6 – 8, 2025 | 09:00 – 17:00 (GMT +7)

Exhibit Profile:

- Assembly & Installation Systems
- Construction Fixings
- Fastener Manufacturing Technology
- Fastener Production Machinery
- Industrial Fasteners & Fixings
- Information, Communication & Services
- Screws & Fasteners
- Screwing & Threading Machines
- Storage, Distribution & Factory Equipment

Visitor Profile

Professionals from key industries, including:

- Construction
- Automotive
- Marine
- Aerospace
- Electronics & Electrical Goods
- General Engineering (Light/Heavy)
- HVAC / Air Conditioning / Services
- Energy & Power Generation
- Communication Technology
- Metal Products
- Furniture Manufacturing
- Sanitary Ware & Plumbing Installation

Join us at Fastener and Fixing Vietnam 2025 to unlock new business opportunities, discover breakthrough solutions, and be part of the future of the industry.

A-STAINLESS INTERNATIONAL CO., LTD. now exceeds 30 years of specialization in stainless steel fasteners and wires.

Production range:
Standard items
 Meets IFI, DIN, ISO and JIS
 Specs: M1.0 ~ M12 (#2 ~ #3/8)
 Length: 1/8" ~ 16" (4.76 ~ 400mm)
 Material: 18-8SS (A2), 316C (A4), 305J1, 410SS (C1) & Special steel grades
Patented designs for hard wood application
Special designs

Our company has been established for more than 50 years. Our annealing furnace is a leading brand in the Taiwanese market. With the hard working for new developments, we modernize our facilities and management to enhance our position in this field.

We made diverse types of furnaces for annealing, tempering, normalizing, spheroidized annealing, homogenizing, solution, carburizing, nitriding, sintering and brazing for batch type or continuous furnace type. They can be applied to steel, copper, aluminum, wire industry or to fasteners, auto parts, hardware, tools, molds, bearings, gears and powder metallurgy, etc. We also welcome you to work with us for your specific application.

Our annealing furnace is a leading brand in the Taiwanese market. With our hard working for new development, we modernize our facilities and management to enhance our position in Taiwan. Our furnaces have been sold to Japan, China, Thailand, Indonesia, Africa and Southeast Asia. In the future, our goal is not only to develop new technology and products, but also to offer better service and quality for our customers. ■
